Summer 2009

Team Sign-up Days

(New teams, please contact us as different deadlines may apply)

When: Tuesday, April 21, 2009 5:30 – 8:30pm
Where: Soccer Office

What does this mean?

Every coed or women's team that wants to sign up for the Summer 2008 season must come and submit their packet & registration items in person (team rep or an alternate) on this day. Each packet will be reviewed with the rep at this time for completeness. If your packet is in order, then it should only take 15-20 minutes to be reviewed.

Each team must have at least 11 completely registered players at the end of this day to be included on the schedule (**coed teams must have at least 5 women**). This means each continuing player has money and a player's pass (for new or returning players – see the requirements under Players on the next page). **** We will NOT be taking player pictures on this day.**

Players needing a picture must come to the office **before** this day to get a picture taken to be included in the 11.

In order to *PLAY* in the first game, all players must be fully registered no later than Wednesday, May 6th (women's and coed).

Team Packet Pick-Up Day

When: Thursday, May 14, 2009 5:30 – 8:30pm
Where: Soccer Office

What does this mean?

Every team rep (or alternate) must come by the office during the times above and pick up their player passes for the first game. Your passes will be reviewed with you for completeness. This should eliminate many problems at the first game where you think someone is registered but never completely registered.

Player Sign Up Deadline (for first game):	Wednesday, May 6 (women and coed)

Summer 2009 Registration - Coed and Women's

The Tucson Women's Soccer League (TWSL) is now registering teams for the Fall season.

■ WHEN/WHERE

Teams planning to register must turn their registration packets in person on **Tuesday, April 21, 5:30-8:30pm at the soccer office**. Registration packets may be requested by calling the office. Regular season games are scheduled to start on or after May 15th/17th (coed) & May 18th/20th (women). **Player sign-up deadline for first game is May 6th (women and coed)**. (NEW TEAMS please note: Returning teams from previous season have priority to sign up, and due to field and ref availability, we may not have room for any new teams. However if there are openings, teams for each division are determined by lottery in all divisions.)

■ HOW

You must have at least eleven (11) properly registered players on the deadline to be included on the schedule. (*For coed, must have at least 5 women.*) Please try to have as many of your players registered when you turn in your packet. This makes it much easier for the Registrar. You must also include a completed Team Registration Roster Form with your packet.

Each team must have a \$90 bond. New teams or teams that forfeited bond last season and have not repaid the \$90 must send a check before or on the deadline to the Treasurer at the league office, 4651 N. 1st Ave, Suite #204, 85718. Make checks or money orders payable to TWSL.
