Fall 2018

(New teams, please contact us as different deadlines may apply)

When: Tuesday, August 21st, 2018 5:30 – 7:00pm
Where: Soccer Office (if have money or hard copies to turn in)

What does this mean?

Every coed or women's team that wants to sign up for the Fall 2018 season must have paid their money and completed the forms & other registration items by this time. Each team's online roster will be reviewed at this time for completeness.

Each team must have at least 11 completely registered players by this time to be included on the schedule (**coed teams must have at least 5 women**). The team rep does not need to come to the office if the minimum of 11 players have registered via the web (paid via PayPal and if needed, uploaded a photo, submitted copy of driver's license & acknowledged the waiver). See the Players section on the next page for complete requirements.

**** We will NOT be taking player pictures on this day.**

Players who can't provide a digital picture must come to the office **before** this day to get a picture taken to be included in the 11.

In order to **PLAY in the first game**, all players must be *fully* registered no later than **Wednesday, August 22nd** (both women's and coed).

Fall 2018 Registration - Coed and Women's

■ WHEN/WHERE

Teams planning to register must have their teams ready in the system by **Tuesday, August 21 (women's & coed)**. Registration information may be requested by calling the office or emailing the registrar. Regular season games are scheduled to start on or after Friday, Sept 7th/Sunday, Sept 9th (coed) & Sunday, September 9th (women's). **Player sign-up deadline for first game is Wednesday, August 29th (women's and coed)**. (NEW TEAMS please note: Returning teams in good standing from the previous season have priority to sign up, and due to field and ref availability, we may not have room for any new teams. However if there are openings, teams for each division are determined by lottery.)

■ HOW

You must have at least eleven (11) properly registered players on the deadline to be included on the schedule. (For coed, must have at least 5 women.) **You must have your online roster updated and with just the players you have money for. Drop the other players and add them later when they pay.** This makes it much easier for the Registrar. No paper roster is needed.

Each team must have a \$100 bond. New teams or teams that forfeited bond last season and have not repaid the \$100 must send a check before or on the deadline to the Treasurer at the league office, 4651 N. 1st Ave, Suite #204, 85718. Make checks or money orders payable to TWSL.
