- Please put the player numbers on the roster. Either add them in at the website or write them in prior to the game at the field.
- Home teams are required to provide a game ball and alternate jerseys if necessary.

Secretary:

- The new online registration system is up and running, please let us know of any issues.
- If you receive an important email notification of field or game changes, be sure to **CONFIRM** that you received the notice and **include your team name**. If you receive a phone message, call back and confirm you received our message. Please confirm as soon as possible, you do not have to contact all your players prior to confirming.
- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed. If there is lightning, you will likely be instructed to seek safety and wait it out for 20-30 minutes to see if it passes.
- When emailing any of the board members, please put a brief description in the subject line, so it is easier to keep track of inquiries.

- TWSL was asked if at some point we would go with only the roster, no cards. The Men's league is testing to see if there are issues with going with only the roster and not having cards. TWSL will wait and see if they have issues.
