- If you receive an important email notification of field or game changes, be sure to **CONFIRM** that you received the notice and **include your team name**. If you receive a phone message, call back and confirm you received our message. Please confirm as soon as possible, you do not have to contact all your players prior to confirming.
- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed. If there is lightning, you will likely be instructed to seek safety and wait it out for 20-30 minutes to see if it passes.
- **To not lose your bond you need to call down 5 days prior to your game. Please speak with a board member, we do not always get our email messages right away.**

Treasurer:

- With the new accounting program the checks are being deposited in a timelier fashion. Make sure there are funds to cover your check.
- All summer registration money has been deposited.

Registrar:

- Apologies for any inconvenience last week regarding getting players registered.
- If you are registering a player that is registered on another summer team, we need their card, so we can sticker it.
- We are looking into PayPal in the future.

Announcements:

- To give time for the registrar to register new players the roster is available to print 2 days before your game. If you are adding a new player and have a Friday game you may want to wait until Friday afternoon to print your game roster.
- World Cup is starting, go USA!

New Business:

We plan to change the meeting night to Tuesday throughout the year instead of switching to Monday nights during the spring and fall seasons to reduce confusion. We would like team representatives input if they think this would be an issue.
