An email of registration final dates will be sent out to all team representatives.

Vice-President (presented by Doreen):

Doreen had a copy of the discipline report for teams to review after the meeting.

Secretary:

- If you receive an important email notification of field or game changes, be sure to **CONFIRM** that you received the notice and **include your team name**. If you receive a phone message, call back and confirm you received our message. Please confirm as soon as possible, you do not have to contact all your players prior to confirming.
- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed. If there is lightning, you will likely be instructed to seek safety and wait it out for 20-30 minutes to see if it passes.
- **People have been calling to try and reschedule games because they cannot field a team. If you cannot field a team you need to forfeit, we will not your reschedule your game. To not lose your bond, 5 days prior to your game, you need to call and speak with a board member. This allows us to find an alternate team to fill in for your team.**

Treasurer:

- A few more registrations will be deposited.
- The insurance payment for the fields will be coming up. The city is requiring the league to increase our liability another million.
- Coed teams that still have not picked up their Playdown bond checks were all emailed. They can call or email Sue to have them destroyed or arrange to pick them up.
