Teams who will be fined for missing three meetings:

President:

- TWSL signed the field contract on Saturday and will work on getting the second ½ of the season schedule out as soon as we can.
- Field availability is very limited. It looks like Coed will have a lot of Sunday games. If anyone has any contacts with the city let us know.
- TWSL had put in a petition for playdowns, but the city got the dates wrong, so we are still working on obtaining fields for playdowns.

Vice-President:

- Team representatives please review the Disciplinary Report. The file was deleted and I had to recreate it.

- Points travel with players and points count during playdowns.
- Teams with the most points: Absynthe & Monsoon – 40, Ballistics, Honey Badgers & Paleteros - 30.

Secretary:

- If you receive an important email notification of field or game changes, be sure to **CONFIRM** that you received the notice and **include your team name**. If you receive a phone message, call back and confirm you received our message. Please confirm as soon as possible, you do not have to contact all your players prior to confirming.
- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed. If there is lightning, you will likely be instructed to seek safety and wait it out for 20-30 minutes to see if it passes.
- **If you cannot field a team you need to forfeit, we will not reschedule your game. To keep your bond, you need to call and speak with a board member 5 days prior to your game. This allows us time to find an alternate team to fill in for your team.**

Treasurer:

- Fiscal year to date is presented in the treasury report.
- There is a summary on the bottom of the report showing any outstanding balances.
- TWSL was charged a new fee for depositing too much cash. We will look into changing our account so we will not have this fee going forward.

Registrar:

- **Team representatives, when you have a new player joining, please put them on your roster. Input all the player information at the registration website (including their email address), so it will be ready when the documents and the correct payment amount are received then we only have to update the payment information and there is less room for error.**
- If you added a new player during the week please check your roster around noon on Friday to ensure the new player has been processed and is on your roster for the game. If there is an issue please contact Cynthia as soon as you can.

Announcements:

Please have referees verify card, player and roster.

Do not let a player play if they are not on the roster. One reason may be that the player bounced a check and may have their card, but are not eligible to play.

The penalty for playing an eligible player is forfeiture of the game, loss of bond and the team representative may get penalty points.

If your team has jerseys supplied by Chapman Automotive and you have a new player that needs a shirt contact Diego at the shop.

Mark at Chapman Automotive would like teams that were supplied with jerseys to get a picture of your team wearing the jerseys and send it to TWSL. Email the pictures to Doreen Koosmann at doreenk@comcast.net.

ASSA – Arizona State Soccer Association held a board meeting. Dan Trainor was elected president, Felicia Froehlich is the secretary. Currently there is not treasurer, but Barbra Trainor is interim treasurer, anyone interested in the position?

The consensus of the team representative at the meeting of how to cover the PayPal fees is he who uses PayPal, pays the fees for PayPal.

New Business:

Lisa Roberts works for the Southwest Key Program a nonprofit which works with unaccompanied minors and she is asking if the soccer community could help by donating new or gently used soccer balls, shin guards and soccer cleats. A box will be placed in the soccer office for donated goods.
