- If you receive an important email notification of field or game changes, be sure to **CONFIRM** that you received the notice and **include your team name**. If you receive a phone message, call back and confirm you received our message. Please confirm as soon as possible, you do not have to contact all your players prior to confirming.
- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed. If there is lightning, you will likely be instructed to seek safety and wait it out for 20-30 minutes to see if it passes.
- **If you cannot field a team you need to forfeit, we will not reschedule your game. To keep your bond, you need to call and speak with a board member 5 days prior to your game. This allows us time to find an alternate team to fill in for your team.**

Treasurer:

- The treasury report presented and approved.

Registrar:

- Team representatives, when you have a new player joining, please add them to your roster. Input all the player information at the registration website (including their email address), if the player already exists in the database update their information do not add them again.
