- The board requests that all teams make an effort to be civil toward opponents and referees.

Secretary (absent):

- Reminder: If threatening lighting occurs during a game the referees will halt the game for a half an hour after the last lightening occurs.
- If you receive an important email notification of field or game changes, be sure to **CONFIRM** that you received the notice and **include your team name**. If you receive a phone message, call back and confirm you received our message. Please confirm as soon as possible, you do not have to contact all your players prior to confirming.
- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed. If there is lightning, you will likely be instructed to seek safety and wait it out for 20-30 minutes to see if it passes.
- **If you cannot field a team you need to forfeit, we will not reschedule your game. To keep your bond, you need to call and speak with a board member 5 days prior to your game. This allows us time to find an alternate team to fill in for your team.**

Treasurer:

- The treasury report was presented and approved.
- The league has \$140,000 in the bank right now but will be paying about \$40,000 to the city for fields this month.

Registrar:

- Not all referees have been checking IDs before games. Team representatives are encouraged to ask the referees to have each player show an ID to match the team roster and verify jersey number.
- Rosters should have the player's jersey numbers.
- TWSL will no longer be using player's passes so EVERY player needs a photo on the registration site. Team Representatives will need to upload a picture for all "old" players who do not already one in the system. The photos need to be cropped and clearly identifiable.
