- Approximately ½ of registration fees are now paid by PayPal.
- We now know how to refund with PayPal. There is a fee for the refund, but it is less than the cost of a stamp.
- Eight people need refund due to a wrong posting of the registration fee for the Over 35's.

Registrar:

- Still hearing of some glitches with PayPal. If you are initially unsuccessful, please keep trying. The majority of these issues are with PayPal.
- For new registrants, if player registration is completed by end of office hours (7pm) Wednesday, they will be registered for the weekend game.
- Even if you pay and provide your registration materials prior to your game, but after the Wednesday deadline, you are not eligible to play that weekend.
- TWSL is no longer using player passes so Team Representatives need to upload passport type pictures for all roster players and identification must be provided. The photos are need for ASSA.

- **If you cannot field a team you need to forfeit, we will not reschedule your game. To keep your bond, you need to **call and speak with a board member 5 days prior to your game.** This allows us time to find an alternate team to fill in for your team.**
- It is important to make your schedule. We promise the teams 10 games and by registering a team you promise to play 10 games.
- The board took a different approach this season and took the number of teams and divided them evenly into the different divisions. If there is a big discrepancy in standings we may modify the divisions for playdowns.

New Business:

- We have a new person setting up the fields (nets and flags). Please give a report on how things are going.

Meeting Adjourned at 7:14.
