- If a team accumulates seventy-five points the team cannot play until they remove a player with points. Some teams are close to this maximum and we are only about halfway through the soccer year.
- Points amassed during playdowns count.
- A player will be suspended for the remainder of the season if they amass 25 points during the season.
- Fill in the jersey numbers for your players so the points will be assigned to the correct player. If we do not know the player who receive a card, the points will be assigned to the team representative.
- If a player with points leaves your team, let Tania know and she can remove their points from your team total.
- If one of your players receives a red card and you have a disagreement with the call you must contact Tania within 48 hours and present your case.

Secretary:

- Rain Policy: Tell your players to show up for all games unless you hear from us by phone and/or email that fields are closed.
- **If you cannot field a team you need to forfeit, we will not reschedule your game. To keep your bond, you need to call and speak with a board member 5 days prior to your game. This allows us time to find an alternate team to fill in for your team.**

Treasurer:

- The treasury report was emailed to team representatives.
- The county only charges for lights, so we have been saving a lot of money is field rental by using the Rillito fields.
- We have a credit with the city, because we release the field we are not using every week and therefore and not charge for those fields.
- PayPal is saving TWSL in bank service fees.
- Fewer checks have been bounced since we have streamlined the registration process with PayPal.

Registrar:

- Team Registration for next season will be after playdowns are completed (May 1st)
- Player registration fees for the summer season will be \$50.
- Office hours are Wednesdays from 5-7 pm.
